

# Dragon Medical

## Specialty and Subspecialty Vocabularies

### VOCABULARIES

Dragon® Medical contains medical vocabularies covering nearly 60 medical specialties and subspecialties.

It is important that you select the correct vocabulary. Using a specialized medical vocabulary that covers the cases you see in your medical practice will offer you the highest recognition and productivity gains.

Selecting a non-medical vocabulary or the medical vocabulary of a different specialty can have a significant impact on your recognition accuracy.

### OVERVIEW OF THE COVERED SPECIALTIES AND SUBSPECIALTIES

**General English:** Non-medical vocabulary for dictating emails, letters, etc.

**General Medical:** A broad, non-specific medical vocabulary covering a wide range of medical specialties. Select this model if no other choice is applicable to you.
