

NUANCE

The experience speaks for itself™

DATASHEET

Dragon™ NaturallySpeaking® Legal 9

Dragon NaturallySpeaking Legal 9 speech recognition software is a powerful productivity tool that enables legal professionals to work faster and significantly reduce reliance on support staff and outside transcription services. This results in lower costs and improved client service.

Dragon NaturallySpeaking Legal 9 is up to 99% accurate – the most accurate speech recognition product Nuance has ever developed! The accuracy, performance and ease-of-use in Dragon NaturallySpeaking Legal 9 make it the ideal solution for busy legal professionals in all specialties. A high-quality headset microphone with background noise-canceling technology is included with every license.

Anyone in your organization can use Dragon NaturallySpeaking Legal 9 to create contracts and email messages, write briefs and complete forms, all by voice, without having to type at all! Dragon NaturallySpeaking Legal 9 is compatible with all Microsoft® Office applications: Word®, Excel®, Outlook® and PowerPoint® as well as Corel® WordPerfect®. In fact, Dragon NaturallySpeaking Legal 9 works with almost any Windows® application, including practice management applications.

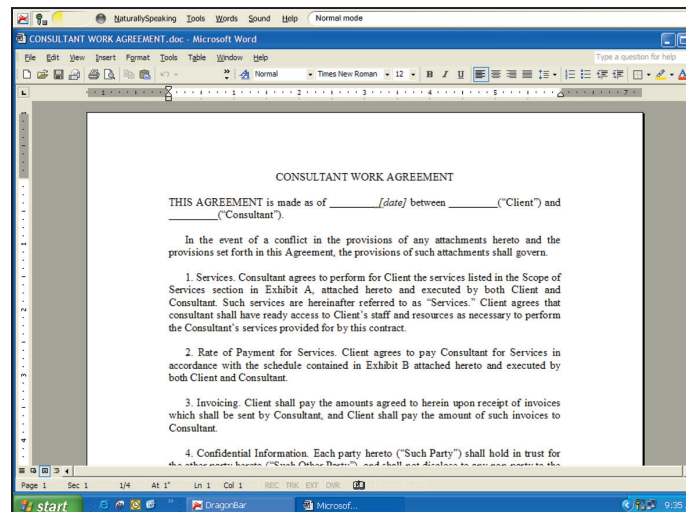

THE MOST ACCURATE DRAGON NATURALLYSPEAKING EVER!
Dragon NaturallySpeaking Legal 9 delivers up to 99% accuracy.

PRECONFIGURED LEGAL VOCABULARY
Dragon NaturallySpeaking Legal 9 comes with a complete legal dictionary of over 25,000 legal terms covering a full range of legal specialties, and even automatically formats legal citations.

EASY TO USE – NO SPECIAL USER TRAINING REQUIRED
Dragon NaturallySpeaking Legal 9 installs quickly. No need to read scripts before dictating into your PC. Easy to follow on-screen tutorials included.

SUPPORT FOR CITRIX® THIN-CLIENT ENVIRONMENTS!
Deploy Dragon NaturallySpeaking Legal 9 on a Citrix server so dictation can be available from Citrix thin-clients throughout your organization.

NATURAL LANGUAGE CAPABILITIES
Unique Natural Language Commands mean users do not have to memorize complex instructions.

Top 10 Reasons to Buy

- 1. Easier to use than ever**
Includes all new on-screen tutorials so you will be an expert user in no time. Plus, there is no script reading required to get started.
- 2. More accurate than ever before**
Dragon NaturallySpeaking Legal 9 is up to 99% accurate.
- 3. Create contracts, briefs and e-mails faster**
You can speak over three times faster than you can type.
- 4. Reduce dependencies on support staff**
- 5. Be productive on the go**
Dictate into any Nuance-certified handheld recorder or utilize a Bluetooth wireless microphone. Use Dragon NaturallySpeaking Legal 9 to transcribe your documents automatically when synchronizing with a PC.
- 6. Fully network compatible**
Access your unique Dragon NaturallySpeaking Legal 9 "profile" from any PC on your organization's local area network.
- 7. Create time saving shortcuts**
Just say a single word and your computer will instantly perform complex, multi-step tasks.
- 8. Special compatibility with Microsoft® Office® and Corel® WordPerfect®**
Special natural language commands let you "say it your way." Plus, you can dictate, edit and navigate menus in virtually any Windows® application, including your favorite practice management system.
- 9. Section 508 certified**
Keep employees on the job, and reduce insurance premiums and temporary labor costs. Government agencies can rely on Dragon NaturallySpeaking Legal 9.
- 10. The world's best selling speech recognition software for Legal Professionals**
Winner of over 175 awards worldwide for accuracy and ease of use.

"Speech recognition has never been this good." – PC Magazine

"Dragon NaturallySpeaking...is probably the best speech-recognition program on earth."
– The New York Times

Dragon NaturallySpeaking has won over 170 awards worldwide.

PC Magazine Editors' Choice Award Logo is a registered trademark of Ziff Davis Publishing Holdings Inc. Used under license.
