SKU Number: A209A-X00-10.0

Box Dimensions: 7 7/8" x 9 1/2" x 2 3/4"

UPC: 780420119048

Positioning Statement

Turn your voice into text three times faster than most people type – with up to 99% accuracy. Create email, documents and spreadsheets – simply by speaking.

Target Market

Ideal for the PC enthusiast, small business/home office and students

25-Word Description

Dragon NaturallySpeaking 10 Preferred gives small business and advanced PC users the power to create documents, reports, emails and more—all by speaking! It's fast, easy and amazingly accurate. A high-quality headset is included.

50-Word Description

Dragon NaturallySpeaking 10 Preferred gives you the power to create documents, reports and emails three times faster than most people type – with up to 99% accuracy. Surf the Web by voice or dictate and edit in most Windows-based applications. Use a handheld device when you're away from your PC, or use a Bluetooth microphone. A high-quality headset is included.

100-Word Description

Dragon NaturallySpeaking 10 Preferred gives small business and advanced PC users the power to create documents, reports and emails three times faster than most people type – with up to 99% accuracy. Surf the Web by voice or dictate and edit in Microsoft® Word™ and Excel®, Corel® WordPerfect™, and most other Windows-based applications. New Dragon Voice Shortcuts collapse common tasks into simple voice commands. Or create custom commands to insert blocks of texts or images — such as your name, title, and signature—with a single voice command. Format and delete text faster than ever with Quick Voice Formatting. You can even dictate into a handheld device when you're away from your PC, or use a Bluetooth microphone. A high-quality headset is included.

Key Benefits

UP TO 99% ACCURATE AND THREE TIMES FASTER THAN TYPING

Most people speak over 120 words per minute, but type less than 40 words a minute. That means you can create documents and emails about three times faster with Dragon NaturallySpeaking. Dragon NaturallySpeaking never makes a spelling mistake, and it actually gets smarter the more you use it!

EASY TO USE

Dragon NaturallySpeaking installs quickly and requires no special script reading to train the system. New on-screen help and tutorials will make you an expert user in no time.

USE WITH MANY WINDOWS PROGRAMS

Use your voice to dictate, edit and control applications like Microsoft® Word™, Microsoft Outlook® Express, Internet Explorer®, Mozilla® Firefox® and AOL®.

DRAGON VOICE SHORTCUTS FOR WEB AND DESKTOP SEARCH

Quickly search for information on the Web or on your own computer. Just say "Search the Web for global warming articles," "Search Wikipedia for George Washington Carver," or "Search eBay for Batman comic books." Searching the Web or your computer has never been faster – or easier.

BLUETOOTH SUPPORT

Use Dragon NaturallySpeaking with Nuance-approved Bluetooth wireless headsets

BE PRODUCTIVE ON THE GO

Dictate into any Nuance-certified handheld device for automatic transcription when you synch with your PC.

System Requirements:

- CPU: Intel® Pentium® / 1 GHz processor or equivalent AMD processor. Faster processors will yield faster performance. Memory: 512 MB RAM (1 GB RAM for Windows Vista™)
- Free hard disk space: 1 GB (2 GB for localized non-English versions)
- L2 Cache: 512 KB
- Supported Operating Systems: Windows Server 2000, Windows Server 2003, Windows XP SP2 or higher - 32 bit, Windows 2000 SP4 or higher, Windows Vista™ or Windows Vista™ SP1, 32-bit
- DVD-ROM drive (required for installation)
- Microsoft® Internet Explorer 6 or higher (free download available at www.microsoft.com)
- Nuance-approved noise-canceling headset microphone (included), Creative® Labs Sound Blaster® 16 or equivalent sound card supporting 16-bit recording, speakers (required for playback of recorded speech and text to speech features)
- For Bluetooth wireless microphone support, please visit <http://support.nuance.com/compatibility/>
- A Web connection is required for activation

During the install process the software checks to make sure your system meets these minimum requirements. If you do not meet the requirements, the software will not be installed.

*** This edition of Dragon does not support dictation directly into Electronic Medical Record (EMR Systems). For EMR support, please use Dragon Medical Edition.**

Recommended Specifications

- CPU: Intel® Pentium® / 2.4 GHz processor (1.6 GHz dual core processor) or equivalent AMD processor
- Memory: 1 GB RAM
- L2 Cache: 1 MB
